

Explicit Instruction in Algebra

Target: We will use **order of operations** and **quantitative reasoning** to write expressions for a given value.

Explicit Instruction in Geometry

Target: We will *“not quit”* **persevere** in solving problems with **trigonometry**.

Use Formulas
Substitute
Plot Points
Use Ratios
Test Assumptions
Write an Equations
Guess-n-Check
Measure

Common Sense
Fight the Gravity Storm
Use Tools
Reverse the Steps
Draw
Use Properties
Teamwork
Wrestle the Bear
